

TaxFlash.
Professional Consultant

committed to excellence

”

We are dedicated professionals who understand Indonesian tax policies and business culture.

About Us.

TaxFlash is a tax consulting service, accounting consulting service, and payroll service. TaxFlash has professional consultants who have been in the tax and accounting fields for many years. Our Professional Tax Consultants have very close relationships with leading industry leaders. What makes us always follow business trends in line with developments in taxation and accounting as well as local and international laws and information trends around them.

TaxFlash is a collection of tax consultants who are certified and registered with the Directorate General of Taxation. Armed

with more than 20 years of experience in the field of tax and financial services, we are committed to assisting individual taxpayers and business entities in providing the best advice for every business decision related to fulfilling tax and accounting obligations. We are committed, by maintaining integrity and professionalism, our consulting team is ready to provide the best, easy, fast and accurate service for every client. In addition to providing consulting services in the field of taxation and accounting, we also provide training services in the form of workshops and in-house training related to taxation and accounting.

”

We're passionate about tax. We collaborate and share knowledge, capitalising on our collective expertise to provide you with high quality, tailored advice that helps relieve the pressures associated with making complex tax decisions.

Our Values.

We use our company's world-class capabilities to anticipate our clients' needs. Leveraging the experience gained through past successes, we look beyond the obvious for creative business solutions.

01.

Vision

Provide tax consulting services that are committed to providing fast, precise and accurate solutions.

02.

Mission

- To provide taxation services that bring satisfaction to our respective clients.
- To become a reliable source of taxation advises and top of mind when it comes to taxation services.
- To create a good and healthy relationship with clients and government based on trust, reliability and respect.

Our Services.

01. Law Litigation Services

We provide tax audit assistance services including disputes and tax refunds, Cross-Border Tax Issues, Local Tax Advisory, Tax Review, Mergers & Acquisition and Corporate Restructuring and in more advanced cases, we also provide assistance in the process of objections and appeals in tax courts.

02. Transfer Pricing Documentation

The purpose of transfer pricing documentation is to show that the company's related-party transactions are following the arm's-length principle. Good transfer pricing documentation should lay out how the functions, assets, and risks are shared between related parties in each related-party transaction in such a way that anyone can understand, whether or not they are familiar with the company.

03. Tax Compliance Services

We are more than happy to assist our clients, as corporates or individuals, to fulfill their tax compliance requirements, including monthly or yearly tax compliance and also we provides Personal Tax Assistance (PTA) Services, Monthly Corporate Tax Compliance, and Tax Seminars (In-House & Public).

”

When it comes to tax, making the right moves is vital. We understand tax and have the expertise to keep you ahead of the game, with the right strategy for your every move.

Our Professionals.

Moh. Yazid is an alumnus of the State College of Accountancy (STAN) and started his career in taxation from 1999 until February 2020 at the Directorate General of Taxes (DGT). His 21 years career at DGT is mostly as a tax auditor, both in Karikpa (Tax Audit and Investigation Office) and KPP (Tax Service Office). While serving at the DGT, apart from serving as tax auditor, he also served as at tax investigator (PPNS). During his services as a tax auditor, especially while serving at KPP in the work area of the Special Regional Office (2011- 2019), he handled many transfer pricings cases. He also holds a tax attorney's license to represent taxpayers in the tax court. Apart from a career as a tax consultant, he is a tax lecturer at the State College of Accountancy (STAN).
